About Us

NGO NEST Berlin is an umbrella organisation for promoting and executing **international projects** to create an impact for **social change**. With our network partners we support adults and youths through functioning as a hub for European projects – from project design to research and implementation.

NEST is thus strongly involved in the **design and management** of international projects in all sectors of **Erasmus+** (Youth, Adult, VET, Schools, Sports) as well as in H2020, AMIF and EuropeAid. Moreover, as a trusted organisation for **volunteering activities**, through European Solidarity Corps and other international youth programs, NEST is regularly engaged in sending and receiving young people from all over **Europe** and **Africa**.
